

WARD 4 PHOTO REPORT – MAY 15, 2009

Primary Fix-It Location: Alley between Ingraham & Jefferson, 600 block & nearby alleys

Accomplished: Overgrowth cut back, cars towed, considerable bulk trash removed

Additional fix its:

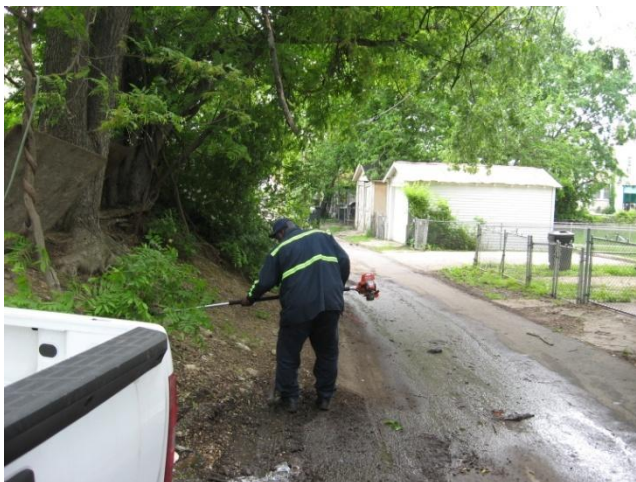

- Overgrowth at 4024 14th Street NW
- About six blocks of unused utility poles (approximately 24) removed by pressuring Pepco to do so. (Requested by Samantha Nolan)
- Overgrowth along Soldiers Home side of Rock Creek Church Rd NW cutback and agreement for regular mowing reached with Home's operations staff (Upshur St to Park Place)
- Dead deer picked up on Blagden within two hours of notice
- Citizens Aware DDOT requests addressed

600 Block – INGRAHAM & NEARBY

Overgrowth trimmed, two vehicles towed away, bulk trash removed from overgrowth

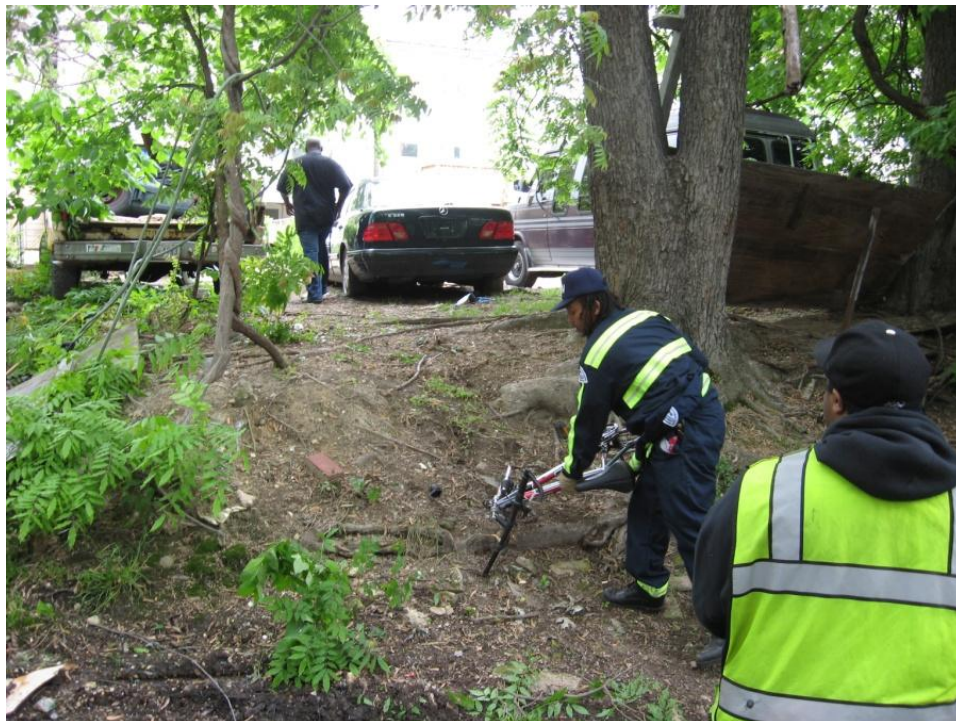

An old tire. Neighbors wondering what we're up to.

Car door used as possible drug stash is removed from overgrowth

Bike remains and plywood used to block suspicious activity

Cutting back continued as alley sweepers moved in the area

More neighbors witnessing the fix it.

More discoveries of bulk trash in 700 block of Hamilton alley, a red bed board

BLUE BOX SPRING & MATTRESS

PINK BOX SPRING, MATTRESS, A COUCH, GYM EQUIPMENT

Alley sweeping continues in several block area

Many alleys in good shape to begin with – still swept

ALONG ROCK CREEK CHURCH RD NW

Saturday morning fix it – Upshur gate to Park Place NW

View later / after.
